

Stardaze 5K at Cane Creek State Park

9:00 a.m. April 15, 2017

From the Start at Pavilion #1 the runners run up the water line cross the street onto Gray Fox Road, then make a left onto the Cane Creek Lake Trail. Follow the Yellow Arrows posted on the trail. When you come out of the trail, take a right onto the gravel road and follow it all the way to the houses. Follow the mowed path into the Delta View trail and follow the Yellow marked trees all the way around and back to Pavilion #1 for the Finish!

Most of the 5K course is on the Delta View Trail, which features beautiful scenic views of the lake and surrounding hilly forest. Trail running offers a challenge unparalleled on paved surfaces. The trail is moderately difficult, with a few short, steep climbs and rough terrain. The Delta View Trail is blazed with yellow paint, and there will be volunteers to help direct race participants. Aid stations offer water and access to emergency medical attention. Friends and family of race participants will have several chances to photograph and cheer on the runners as they loop around on State Park Road just before the finish. All race participants will receive a t-shirt.
